

Every day a new city, a new IHOP. And yet every night the dreams get worse. I ply the highways, a nervous eye on the rear-view mirror, the back seat piled with stolen menus. Their doors are opened 24 hours, but forever closed to my soul. This is what my life has become. This is my hell.

¹⁹The decision not to hyphenate "kids only" is likely connected to the omission of the serial comma. I wonder if the author is British. I wonder if he sleeps at night.
