PREMIER ELECTION SOLUTIONS (FORMERLY DIEBOLD)
HAS BLAMED OHIO VOTING MACHINE ERRORS ON PROBLEMS
WITH THE MACHINES' MCAFEE ANTIVIRUS SOFTWARE.

IT'S OVER.

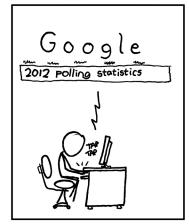

AFTER TWENTY MONTHS IT'S FINALLY OVER.

I DON'T HAVE TO BE AN ELECTION JUNKIE ANYMORE.

I DON'T HAVE TO CARE ABOUT OPINION POLLS, EXIT POLLS, MARGINS OF ERROR, ATTACK ADS, GAME-CHANGERS, TRACKING POLLS, SWING STATES, SWING VOTES, THE BRADLEY EFFECT, OR <NAME> THE <OCCUPATION>,

Someday I'll be rich enough to hire Nate Silver to help make all my life decisions. 'Should I sleep with her?' 'Well, I'm showing a 35% chance it will end badly.'
